Dear Dr. Lichtenberger,

It is my pleasure to announce your appointment to Milwaukee Career College's Veterinary Assistant and Veterinary Technician Advisory Board. On behalf of Milwaukee Career College, I want to thank you for being willing to share your time and your talents. As a member of this committee, you will bring a much-needed perspective to the work we do at Milwaukee Career College. Your contributions will help to keep the programs we offer our students current and relevant.

Milwaukee Career College relies heavily on the advice of professionals like you to maintain quality programs that educate our students and help them to be productive employees in our community! Meetings will be held quarterly so that we can obtain enough feedback to continually improve our program throughout the year.

Again, it is good to have you on board as part of the MCC family. Milwaukee Career College looks forward to working with you and we are very grateful for your service to our program as we strive to graduate exceptional Veterinary Assistants and Veterinary Technicians.

Sincerely,

Jack Takahashi

President
